CareDimensions®

Compassionate expertise for advanced illness

Virtual Children & Teen Grief Groups

Tuesdays, starting June 30th

10am – Elementary group
11am – Middle school group
12pm – High school group

These groups will be held via Zoom conference. Zoom is a free software available online.

Children and teens (rising first graders to recent HS grads) who have experienced the death of a significant person in their life are invited to join us in this space to connect with grieving peers and learn some coping tools to navigate this difficult time.

Advanced registration required, rolling enrollment
