# *Service of Remembrance and Light*

★ Shine a light for all to see ★

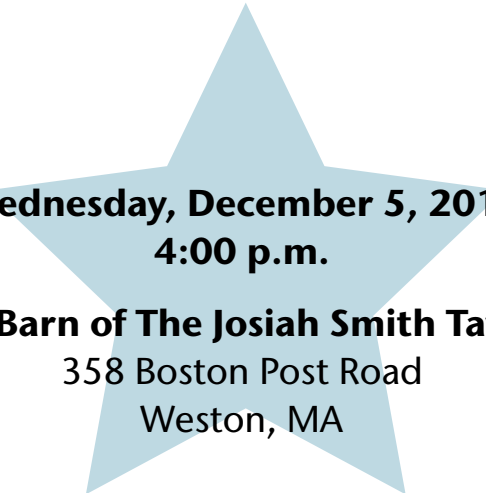

Care Dimensions cordially invites you and your family to join us for a Service of Remembrance and Light to honor the memory and celebrate the life of your loved one. The service includes inspirational readings and live music. People of all faiths and spiritual beliefs are welcome. Following the service, Care Dimensions will offer a Coping with the Holidays workshop to discuss ways to manage the stress of the holiday season.

This holiday season, honor your loved one or friend by illuminating a light and inscribing their name in the Care Dimensions Honor Roll Book. At your request, we will notify those you designate of your thoughtful gift.

Your caring tribute is a tax-deductible gift that enables Care Dimensions to continue its vital role in providing essential physical, emotional and spiritual support to terminally ill patients and their families.

The ceremony is followed by an informal reception and an opportunity to view the Honor Roll Book.
