St. John's Preparatory School

Presented by **BROWN** 
BROTHERS
HARRIMAN

Your children may inherit your wealth. But will they inherit your values?

Many wealthy parents hope their children share their values when they assume stewardship of the family's wealth. We facilitate family conversations to help parents prepare children for wealth transfer. Should we talk?

September 2019

Dear Friends:

Welcome to the 32nd Annual Walk for Hospice!

For many of you, we met during a time of great difficulty. Today we honor and celebrate life and love. We are inspired to share stories, a laugh, or maybe a tear as we walk together to remember loved ones lost, who remain ever-present in our hearts.

With your help, Care Dimensions has come a long way in our 41 years serving our community – providing exceptional hospice and palliative care and bereavement support. The number of patients using hospice is growing; four out of ten people who are eligible for hospice now choose it. There are still many more who could benefit from the support and compassion of hospice and palliative care. Together we can educate family, friends, neighbors and colleagues about the benefits of hospice and palliative care. Today, your involvement in the Walk is helping to ensure that care and comfort are always available wherever and whenever it is needed.

I am deeply grateful to St. John's Prep for their ongoing dedication and commitment to our Walk. Thank you to the volunteers, sponsors, donors, team captains and walkers (including the four-legged ones!), whose participation is key to the success of the Walk. I hope you will continue your friendship and partnership with us.

The Walk is dedicated to all of you here with us today and to all those who are in our hearts.

Warmly,

A handwritten signature in blue ink that reads "Pat Ahern".

Care Dimensions is grateful to our 32nd Annual Walk for Hospice Leadership Team. We are pleased to have a strong partnership with Aberdeen Home Care and appreciate Joanne and Scott's enthusiasm and compassion. Long Term Pharmacy Solutions provides Care Dimensions with superb pharmaceutical services and its leader Steve has been a steward of Philanthropy for many years. We are thrilled to have Christian from Cataldo Ambulance and SmartCare on our team this year; they are a wonderful and innovative provider to our patients. A big shout out to Charlie who is a valued and committed member of our Board of Directors. And special thank you to Fran who has been valiantly leading her amazing team, the Volunteer Vikings for 5 years. We could not be successful without all of you. Thank you for your time and talent.

gratefully acknowledges the support of our sponsors!

Care Dimensions Compassionate Expertise for Advanced Illness

Care Dimensions enriches quality of life for those affected by life-limiting illness, death and loss by providing exceptional care, support, education and consultation.

Compassion Excellence Collaboration
Integrity Responsiveness Innovation

The above core values sustain our mission to serve, and our commitment to evolve, with the changing needs of our communities.

Our work is carried out by more than 650 employees and 540 volunteers. Every day, we serve approximately 1,200 hospice and palliative care patients wherever they call home. We provide care in more than 95 cities and towns in eastern Massachusetts including at our two inpatient units, the Kaplan

Family Hospice House in Danvers and the Care Dimensions Hospice House in Lincoln. No one is denied care because of financial status, level of insurance coverage or ability to pay.

We offer a full spectrum of care, including specialized programs for patients with cardiac and respiratory diseases, patients with dementia, and pediatric patients.

We offer extensive grief support programs throughout the region. Last year, we supported almost 7,300 people, regardless of whether or not a loved one had been in our care.

If you, or a loved one, need help and support, please call us at 888-283-1722.
