As part of Care Dimensions’ employee volunteer program, 13 employees were granted four hours of paid time to volunteer at community organizations within the communities we serve to show our support and dedication to our community. Organizations included Drumlin Farms, Credit 4 Life Program for Danvers High School students, Peabody Pride Community Cleanup, and at Tough Ruck, a fundraiser for fallen military personnel. Additionally, staff coordinated and participated in several collection drives for food, clothing, and toys for organizations in our communities.

Community-Based Palliative Care Program
Our palliative care team works in partnership with each patient’s physician and healthcare team to offer an extra layer of support to address the pain and symptoms that accompany serious illness. Additionally, our team helps patients and families discuss goals of care, complete advance care planning, and focus on improving quality of life.

Complementary Therapies
Care Dimensions takes great pride in our comprehensive complementary therapies program. Provided by certified professionals, our music and massage therapies reduce physical symptoms, decrease stress, and improve quality of life and enjoyment.

Care Dimensions also offers certified pet therapy and a pet visitor program through our volunteer department. These affectionate and heartwarming dogs, and their dedicated owners, bring comfort and calm to patients and their families.

Additionally, trained volunteers provide Reiki treatments to offer relaxation and energy renewal to patients, and vocal groups offer the gift of song at the bedside to brighten moods and provide a peaceful environment.

Supporting Our Communities
Care Dimensions is appreciative of the municipal support we receive from Danvers and Lincoln, where our hospice houses are located. In recognition of that gratitude and our non-profit status, Care Dimensions has offered payments in lieu of taxes to both communities.

Service to Anyone

All patients at Care Dimensions are treated with respect and dignity, regardless of their ability to pay for care. Thanks to generous community donors, Care Dimensions was able to provide $449,000 in financial assistance to eligible patients. In addition, Care Dimensions offers a Family Fund that provided $72,101 in grants to patients and their families for emergency needs, such as food, clothing, utilities, and funeral expenses. Besides enhancing our patients’ quality of life, the Family Fund provides some special social enrichment opportunities, such as art supplies and tickets to sporting and entertainment events.

Volunteer Services

Care Dimensions volunteers play a vital role on our patient care teams. These specially trained, dedicated people enter the lives of patients and families and support them during their most challenging times. They are called upon at all hours and are always there to answer that call. Our volunteers offer direct patient support providing companionship, respite for caregivers and bedside vigils; greet and support patients and families at the Kaplan Family Hospice House and the Care Dimensions Hospice House; call patients and families weekly to make sure they have everything they need; make grief support calls; assist with fundraising and support our office staff; and so much more. There is an opportunity and need for every volunteer who is willing!

Additionally, we are grateful for the leadership and service provided by volunteers on our Patient and Family Advisory Council and our Board of Directors.

While hospice organizations are required by Medicare to fulfill a requirement of 5% of volunteer hours per year, we exceed that requirement at 7.56%.

• 135 new volunteers were trained in 2019
• 2,370 hours of volunteer training provided
• 574 volunteers provided 35,556 hours of service
