ROMEO, THE ROOSTER; A SCULPTURE BY BEVERLY BENSON SEAMANS

Beverly was known around New England as the woman who brought life to her bronze. She sculpted wax with grace and precision to create and capture the living likeness and spirit of shorebirds, animals and children. Beverly began donating her marvelous sculptures to our annual Regatta fundraisers in 2002. They included Drummer Boy, Child Flying a Kite; Girl with a book; Boy with a Balloon; Flower Girl; Boy with Turtle and many more. Upon her passing in 2012 her son John and his wife Sarah honored their mother by continuing to generously donate a sculpture each year to Care Dimensions. Beverly's spirit lives in every sculpture she created.

Donated by John & Sarah Seamans in loving memory of Beverly and Don Seamans.

2018 SIGNATURE ARTWORK KEN KNOWLES *SUNSET IN GLOUCESTER HARBOR*

This year's signature artwork, *Sunset in Gloucester Harbor*, is a 24 x 30 original oil painting by Rockport Artist, Ken Knowles. Two of Knowles' favorite subjects, Gloucester schooners and the city skyline are washed with sunset colors. The blazing sky is not typical for Ken's work and has taken decades to perfect.

Ken Knowles is a nationally awarded local painter in Rockport, MA's beautiful art colony. Educated with master painters and with 33 years of experience, his work is part of many private and corporate collections in the US and abroad. He continues a long standing tradition by painting in American impressionism and we are honored to feature Mr. Knowles' work.
