Twice each year we invite family members and friends of our Care Dimensions patients to a Service of Remembrance. The event is our way of paying tribute to you and your loved one.

The service consists of readings, music and honoring our patients through a candle lighting ceremony. Our desire is to create an environment which is welcoming of everyone, regardless of individual faith or beliefs.

We hope you will be with us on this special day. Following the service, we invite you to an informal reception where there will be an opportunity to mingle with hospice staff, volunteers and other families we've served.

We encourage you to share this information with family and friends, and invite them to join you for the service. We look forward to seeing you there.

Should you have any questions or require assistance in participating, please don't hesitate to contact us. Please RSVP to (855) 774-5100 or email grief@CareDimensions.org.

Sincerely,

April Evans, LICSW
