Bereavement Calendar August – October 2026

Based on grief research and our clinical practice, we find that our support groups benefit those individuals who participate in these groups at least three (3) months after the loss of a loved one. Registration in our Newly Bereaved workshop is recommended for those who have experienced loss within the past three months. For the full description of a group, please visit our website at [CareDimensions.org/FindSupport](https://www.CareDimensions.org/FindSupport)

Support groups are open to Massachusetts residents ONLY.

If you are interested in a group that is not listed (including *Loss of Spouse* or *Loss of Parent*), please reach out to our grief line for upcoming options.

WRITING THROUGH GRIEF WORKSHOPS

The Writing Through Grief Workshop Series is an opportunity for participants to deeply process grief through writing and sharing with others who may have similar experiences. Workshops are open to writers of all levels of experience, from novice to well-seasoned. All that is required is a notebook, a pen, an open heart, and a desire to heal. Each workshop will target people who are grieving a specific loss. Participants will be asked to make a commitment to attend all three sessions, follow through with writing between sessions, and share aspects of their writing when we meet virtually.
