Bereavement Calendar June – September 2026

Based on grief research and our clinical practice, we find that our support groups benefit those individuals who participate in these groups at least three (3) months after the loss of a loved one. Registration in our Newly Bereaved workshop is recommended for those who have experienced loss within the past three months. For the full description of a group, please visit our website at CareDimensions.org/FindSupport

Support groups are open to Massachusetts residents ONLY.

If you are interested in a group that is not listed (including *Loss of Spouse or Loss of Parent*), please reach out to our grief line for upcoming options.
