**Mondays**

**March 12 – April 30**

**6 – 7:30 p.m.**

*Bertolon Center for Grief and Healing  
78 Liberty Street, Danvers*

The Loss of Adult Child group is designed to support parents as they process the unique grief that comes with losing an adult child. This group acknowledges the complicated dynamics of those relationships and gives understanding to how those dynamics affect our grief. It is for parents who are seeking group support to gain an understanding of their grief process, to meet others, and to share their experiences.

**Advance registration is required by March 5.
