

WANTED

Pet Therapy and Pet Visiting dogs for Hospice Patient Visits

Who:

Care Dimensions is seeking volunteers with dogs who are certified in pet therapy or have passed the AKC Canine Good Citizen test to join our Complementary Therapies program.

Where:

Volunteers and their dogs visit hospice patients wherever they call home – nursing homes, assisted living facilities, private homes, and our hospice houses in Danvers and in Lincoln on the Waltham line. Our service area covers more than 100 communities in Eastern Massachusetts. Volunteers are needed in all geographic regions.

When:

Pet Therapy Visits are flexible and YOU decide on the hours you are able to give.

How:

Handler must complete 8 or 16 hour online, self-led training modules.

Handler and dog complete 1-hour orientation
