

Care Dimensions Hospice Nurse Residency Program

Apply now for hands-on training program to introduce nurses to the field of hospice and palliative care

Open to both new graduates and experienced RNs new to hospice and palliative care

Program details:

- Starts September 14, 2020
- New grad students will have a six-month residency.
- Experienced nurses will have a three-month residency.
- Curriculum includes classroom lectures, simulated patient care scenarios, field observations and guided mentorship by a dedicated preceptor. Classroom training will be based out of our Danvers and Waltham offices.
- Nurse residents will be employed at Care Dimensions during the residency and work in a full-time position in Case Management following graduation. A commitment to work full-time (40 hours) for two years in this role is expected for all nurse residents.
- All nurse residents will be eligible to sit for national certification in hospice and palliative care (CHPN) prior to the end of their two-year commitment.

Applications will be accepted from March 6 – May 8, 2020.
